References

- A. Cite references in the text by numbers in parenthesis, e.g. hydrogen sulphide promotes metallic corrosion (1, 2, 3 – 7).
- B. Please write your references according to the following examples:
  - Journal articles  
M.A. Mostafa, H.M. Hasan and P. M. Johnson, Name of the journal, volume, page (year).
  - Books, Series and Proceedings  
Authors (as above), in “Title of the Book”, P. \_\_\_\_\_, Edition, Names of Editors, Publisher, City e.g. New York, London, Amsterdam, .....etc (year).

**Figures**

Please put the figures at the end of the paper. Make sure that each figure has a satisfactory caption. Please put the figures in the form of Microsoft Word files.

The Proceedings of the Workshop will be printed in color, so color figures and tables are welcome.

Thank you.
